Over

[Blake Shelton](#)

[Verse 1]
If I could
I would dare
Feed your dreams
And starve your fears
If I could
Light the world
We could sit
And watch it burn
We could fall asleep inside the glow

[Chorus]
So tell me what I got to do to win you over
You'll never have to wonder if you need another
You'll never have to wonder if I understand
And every time you reach for me you'll find a hand out
Oh

[Verse 2]
If I could
Take you in
Feeling you deep
Beneath my skin
Then I could
Slip away
With you as a poison in my veins
I don't want to fall asleep alone
And wake up knowing that I died without the one

[Chorus]
So tell me what I got to do to win you over
You'll never have to wonder if you need another
You'll never have to wonder if I understand
And every time you reach for me you'll find a hand out
Oh
So tell me what I got to do to win you over
You'll never have to wonder if you need another
You'll never have to wonder if I understand

And every time you reach for me you'll find a hand out
Oh

[Outro]
If I could
I would dare
Feed your dreams
And starve your fears
