

# Whenever, Wherever

## Shakira

Lucky you were born that far away so  
We could both make fun of distance  
Lucky that I love a foreign land for  
The lucky fact of your existence Baby, I would climb the Andes solely  
To count the freckles on your body  
Never could imagine there were only  
Ten million ways to love somebody Ledo lo le lo le, ledo lo le lo le  
Can't you see?  
I'm at your feet Whenever, wherever  
We're meant to be together  
I'll be there, and you'll be near  
And that's the deal, my dear  
There over, hereunder  
You'll never have to wonder  
We can always play by ear  
But that's the deal, my dear Lucky that my lips not only mumble  
They spill kisses like a fountain  
Lucky that my breasts are small and humble  
So you don't confuse them with mountains Lucky I have strong legs like my mother  
To run for cover when I need it  
And these two eyes that for no other  
The day you leave, will cry a river Ledo lo le lo le, ledo lo le lo le  
At your feet  
I'm at your feet  
Whenever, wherever  
We're meant to be together  
I'll be there, and you'll be near  
And that's the deal, my dear There over, hereunder  
Or up above, don't wonder  
We can always play by ear  
But that's the deal, my dear Ledo lo le lo le, ledo lo le lo le  
Think out loud  
Say it again Ledo lo le lo le lo la  
Tell me one more time  
That you'll live, lost in my eyes Whenever, wherever  
We're meant to be together  
I'll be there, and you'll be near  
And that's the deal, my dear There over, hereunder  
You've got me head over heels  
There's nothing left to fear  
If you really feel the way I feel Whenever, wherever  
We're meant to be together

I'll be there, and you'll be near  
And that's the deal my dear There over, hereunder  
You've got me head over heels  
There's nothing left to fear  
If you really feel the way I feel
