Play Ball

[AC/DC](#)

Listen
Pick me up
Fill my cup
Pour me another round
Come on man, mix in the sin
Come in and join the crowdI said it's party time
When I'm on the loose
Make it feel alright
Listen, drinks all around
I'm in the mood
Because the night is mine
Let's play ball
Shoot down the walls, yeah
Let's play ball, baby
Battin' down the stalls
Play, play, play ballListen Sid
Light me up
I'm in love
I'm all regional now
Dive on in and swim in the gin
Come on, shout it out loudLet's play ball
Shooting down the wall, yeah
Let's play ball
Battin' down the stalls, yeah
Play, play, play ball
Let's play ball
Shooting at a wall
Let's play ball
And never stall
Let's play ball
Let's play ball
Let's play ball
Play, play, play ball
