

# Your Arms Feel Like Home

## 3 Doors Down

[Verse 1]

I think I've walked too close to love  
And now iIm falling in  
There's so many things this weary soul can't take  
Maybe you just caught me by surprise  
The first time that I looked into your eyes

[Chorus]

There's a life inside of me that I can feel again  
It's the only thing that takes me where I've never been  
I don't care if I lost everything that I have known  
It don't matter where I lay my head tonight  
Your arms feel like home  
Feel like home

[Verse 2]

This life ain't the fairytale we both thought it would be  
But I can see your smiling face as it's staring back at me  
I know we both see these changes now  
I know we both understand somehow

[Chorus]

There's a life inside of me that I can feel again  
It's the only thing that takes me where I've never been  
I don't care if I lost everything that I have known  
It don't matter where I lay my head tonight  
Your arms feel like home  
Feel like home  
There's a life inside of me that I can feel again  
It's the only thing that takes me where I've never been  
I don't care if I lost everything that I have known  
It don't matter where I lay my head tonight  
Your arms feel like home  
Feel like home
