

# Be With You

Akon

Eh eh eh  
ohhO(ohoo)  
ohhO(ohoo)  
ohhO(ohho)  
ohhOoo(ohhOoo)I know they wanna come and separate us but they can do is nothin  
You're the one I want and Imma continue lovin  
Cause your considered wifey and I'm considered husband  
And Imma always be there for you  
E-either way you look at it I ain't goin nowhere from my muffin  
Cause she gonna hold it down, can't nobody tell her nothin  
You got the kind of love that always make up after fussin  
And that's what gets me closer to you  
And no one know  
Know why I'm into you  
(I'm in to you)  
Cause you'll never know what it's like to walk in our shoes  
(In our shoe)  
And no one know, know the things we've been through  
(things we've been through)  
Can never measure up to half of what I put you through  
That's why we'll break throughAnd I don't care what they say  
I'm gonna be with you  
I'm gonna be with you  
I'm gonna be with you  
And I don't care what they do  
I'm gonna be with you  
I'm gonna be with you  
I'm gonna be with you  
Seems like every day that go by things are gettin harder  
Want to be the one that give you the whole enchilada  
Cause I know what my baby like  
I know you love that Prada Louis bag to match with the shoes  
All about knowing you I'm into doing things to keep her longer  
Stickin together forever, watch it grow stronger  
That's the way it has to be, everything proper  
Keepin it always trueAnd no one know (no one know)  
what I'm into you  
(I am in to you)  
Cause you'll never know what its like to walk in our shoes  
(In our shoes)  
And no one know, the things we've been through  
yeaA (things we've been through)

Can never measure up to half of what I put you through  
That's why we'll break through  
And I don't care what they say  
I'm gonna be with you  
I'm gonna be with you  
I'm gonna be with you  
And I don't care what they do I'm gonna be with you  
I'm gonna be with you  
I'm gonna be with you  
You are everything in my life see the joy you bring  
And ain't no one I can compare you to And I know that you will never walk away from me no  
matter what  
And that's why I plan to do the same thing for you  
And I want you to know  
And I don't care what they say  
I'm gonna be with you  
I'm gonna be with you  
I'm gonna be with you  
And I don't care what they do I'm gonna be with you  
I'm gonna be with you  
I'm gonna be with you  
And I don't care what they say  
I'm gonna be with you  
I'm gonna be with you  
I'm gonna be with you  
And I don't care what they do  
I'm gonna be with you  
I'm gonna be with you  
I'm gonna be with you
