

# If You Love Somebody Set Them Free

Sting

Free, free, set them free (Oh whoa)  
Free, free, set them free  
Free, free, set them free  
Free, free, set them free  
If you need somebody, call my name  
If you want someone, you can do the same If you want to keep something precious You got to  
lock it up and throw away the key  
If you want to hold onto your possession  
Don't even think about me  
If you love somebody  
If you love someone  
If you love somebody  
If you love someone Set them free  
Free, free, set them free (Set them free)  
Free, free, set them free (Set them free)  
Free, free, set them free (Set them free)  
Free, free, set them free  
If it's a mirror you want Just look into my eyes  
Or a whipping boy  
Someone to despise  
Or a prisoner in the dark  
Tied up in chains you just can't see  
Or a beast in a gilded cage  
That's all some people ever want to be  
If you love somebody (Love somebody)  
If you love someone (Love somebody)  
If you love somebody (Love somebody)  
If you love someone  
Set them free  
Free, free, set them free (Set them free)  
Free, free, set them free (Set them free)  
Free, free, set them free (Set them free)  
Free, free, set them free  
You can't control an independent heart (Can't hold what you can't keep)  
Can't tear the one you love apart (Can't love what you can't keep)  
Forever conditioned to believe that we can't live  
We can't live here and be happy with less  
So many riches  
So many souls  
Everything we see we want to possess  
If you need somebody, call my name  
If you want someone

You can do, you can do, you can do the same  
If you want to keep something precious  
You got to lock it up and throw away the key  
If you want to hold onto your possession  
Don't even think about me  
If you love somebody (Love somebody)  
If you love someone (Love somebody)  
If you love somebody (Love somebody)  
If you love someone  
Set them free  
Free, free, set them free (Set them free)  
Free, free, set them free (Set them free, OW)  
Free, free, set them free (Set them free)  
Free, free, set them free (Set them free)
