I'm Real (feat. Ja Rule)

Jennifer Lopez

Uh
What
Uh uh uh
Lets goCalled you on the phone said I'm coming through
Hope you're all alone 'cause I got plans for you
We could stay at home or dance and hand all night
As long as I'm with you it doesn't matter what we doDon't ask me where I've been
Or what I'm gonna do just know that I'm here with you
Don't try to understand
Baby, there's no mystery 'cause you know how I am
I'm real, what you get is what you see
What you trying to do to me
You want to say your mine
Be with me all the time
You're falling so in love
Say you just can't get enough
You're telling all your friends
She is a bad bad girlYou like the way I dress the way I wear my hair
Show me off to all your friends and baby, I don't care
Just as long as you tell them who I am
Tell them I'm the one that made you give a damnDon't ask me where I've been
Or what I'm gonna do just know that I'm here with you
Don't try to understand
Baby, there's no mystery 'cause you know how I am
I'm real, what you get is what you see
What you trying to do to me
You want to say your mine
Be with me all the time
You're falling so in love
Say you just can't get enough
You're telling all your friends
She is a bad bad girlI'm real, what you get is what you see
