

# Say Goodbye

## Dave Matthews Band

[Verse]

So here we are tonight  
You and me together  
The storm outside and the fire is bright  
Oh, and in your eyes I see  
What's on my mind  
You've got me wild  
Turned around inside  
And then desire, see, is creeping up heavy  
Inside here  
And know you feel the same way I do now  
Now let's make this an evening  
Lovers for a night, lovers for tonight

Stay here with me, love, tonight  
Just for an evening  
When we make  
Our passion pictures  
You and me twist up  
Secret creatures  
And we'll stay here  
Tomorrow go back to being friends

Oh, go back to being friends  
But tonight let's be lovers  
Oh, we kiss and sweat  
We'll turn this better thing  
To the best  
Of all we can offer, just a rogue kiss  
Tangled tongues and lips  
You see me this way  
I'm turning and turning for you  
Oh, girl, oh, just tonight

Float away here with me  
Oh, an evening, oh, just wait and see  
But tomorrow go back to your man  
I'm back to my world  
And we're back to being friends  
Oh, wait and see me

Oh, tonight, oh, let's do this thing  
All we are is wasting hours  
Til the sun comes, it's all ours  
On our way here  
And tomorrow go back to being friends

Yeah, yeah, yeah  
Oh, go back to being friends  
Tonight let's be lovers, oh, please  
Tonight let's be lovers, say you will  
Tonight let's be lovers, oh, yes  
Tonight let's be lovers

And hear me call  
Oh, soft spoken, whispering love  
A thing or two I have to say here  
Oh, tonight let's go all the way then  
Oh, love, I'll see you  
Just for an evening  
Oh, let's strip down, trip out at this  
One evening's love starts with a kiss  
And away here

[Outro]  
And tomorrow back to being friends, yeah  
But now lovers, love, yeah  
Just for tonight, one night, love you

Tomorrow say goodbye  
Tomorrow say goodbye  
Tomorrow say goodbye
