

Ain't No Doubt

Jimmy Nail

She says, "It's not you, it's me
I need a little time, a little space
A place to find myself again, you know"
Oh yeah, I know a goodbye when I hear it
She smiles but her heart's already out there
Walking down the streetShe says
"I don't want nobody else, I love you"
She's lying
"There won't be somebody else and that's true"
She's lying
"Say you'll always be my friend, sweet darling"
Why does she pretend?
Ain't no doubt, it's plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for moreShe says, "It's like in a song, remember
If you love someone, set them free"
Well, that's how it is for me and then she kisses me
And somewhere I hear a door slam, so I say, "Fine"
And just hope that I'm a better liar than she isShe says
"I don't want nobody else, I love you"
She's lying
"There won't be somebody else and that's true"
She's lying
"Say you'll always be my friend, sweet darling"
Why does she pretend?
Ain't no doubt, it's plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for moreAin't no doubt, it's plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for more"I don't want nobody else, I love you"
She's lying
"There won't be somebody else and that's true"
She's lying
"Say you'll always be my friend, sweet darling"
Why does she pretend?Ain't no doubt, it's plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for moreAin't no doubt, it's plain to see
A woman like you's no good for me

Your heart beating at another door
I'm a damned fool for to ask for more
Ain't no doubt, it's plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for more
