

For the Thrill (feat. Becky G)

Yellow Claw

What you need?
What you, what you need?
We ain't got no exceptions
We ain't got no limitations What you mean?
What you, what you mean?
Body showing motivation
Baby, why you hesitate? I know you wanna get this of this pretend that you want to take time
Take time Only got a minute
If you would wait it
We could get it
All night, all night
Bonnie and Clyde on a high chase Switching the lanes
While we Bang Bang
Or right till we die
Baby, no pace
Aaaye, Aaaye, Aaaye Breakin me down like an earthquake
Making it rain like a hurricane
Do what we like
Baby, no shame
Aaaye, Aaaye, Aaaye I do it For The Thrill
Thrill
Thrill
Thrill I do it For The Thrill
Tropical Sounds
Search rights
We ride the guy
We run gas
I'm a let you drive
We don't do it swipe
Bonnie and Clyde
You and me against the world
We go win this fight You know me
You know, you know me
I think about the consequences
We no need no common senses Shotgun light the gasoline
Fire trucks and ambulances
Crossing lanes and jumping fences I know you wanna get this
Stop pretending that you want to take time
Take time Only got a minute
If you would wait it
We could get it
All night, all night Bonnie and Clyde on a high chase

Switching the lanes
While we Bang Bang
Or right till we die
Baby, no pace
Aaaye, Aaaye, Aaaye Breakin me down like an earthquake
Making it rain like a hurricane
Do what we like
Baby, no shame
Aaaye, Aaaye, Aaye I do it For The Thrill Nae-ay-ay-aye
Nae-ay-ay-aye
Nae-ay-ay-aye
(Bonnie and Clyde on a high chase Switching the lanes
While we Bang Bang
Or right till we die
Baby, no pace
Aaaye, Aaaye, Aaaye
Breakin me down like an earthquake
Making it rain like a hurricane
Do what we like
Baby, no shame
Aaaye, Aaaye, Aaye)
I do it For The Thrill
I do it For The Thrill
I do it For The Thrill
