On 1-4-5 fresh pair of Uptowns
I just scored me a mami, touchdown

My Compton girl tattooed me on her fatty
She said, "I know you've got hoes in the Valley
Kris Kross me you gon' see the Mack Daddy"I said yo, I gotta go to Miami
But my boys sold pounds so I'd feel a little milli'
I bagged me a XXL, eye candy
A little bling bling got me fresh like mannieI ride through the A with a chick, dirty
Southside Philly know I get it on early
Any hood I'm in, I'm never in a hurry
I stand there chest out and I rep JerseyThat's where I be all day

That's where I be all day
That's where I be all day Hey ladies, if you in the club right now
Posted up at the bar
