

The King Must Die

Elton John

No man's a jester playing Shakespeare
Round your throne room floor
While the juggler's act is danced upon
The crown that you once wore And sooner or later
Everybody's kingdom must end
And I'm so afraid your courtiers
Cannot be called best friends Caesar's had your troubles
Widows have to cry
While mercenaries in cloisters sing
And the king must die
Some men are better staying sailors
Take my word and go
But tell the ostler that his name was
The very first they chose And if my hands are stained forever
And the altar should refuse me
Would you let me in, would you let me in, would you let me in
Should I cry sanctuary? Caesar's had your troubles
Widows have to cry
While mercenaries in cloisters sing
And the king must die Yeah, the king must die
The king must die, oh yeah
No man's a jester playing Shakespeare
Round your throne room floor
While the juggler's act is danced upon
The crown that you once wore The king is dead, the king is dead
The king is dead, the king is dead
Long live the King
