

# Let You Love Me

Rita Ora

[Verse 1]

I should've stayed with you last night  
Instead of going out to find trouble  
That's just trouble (yeah)  
I think I run away sometimes  
Whenever I get too vulnerable  
That's not your fault (yeah)[Pre-Chorus]  
See I wanna stay the whole night  
I wanna lay with you till the sun's up  
I wanna let you inside  
Oh, heaven knows I've tried

[Chorus]

I wish that I could I let you love  
Wish that I could let you love me  
I wish that I could I let you love  
Wish that I could let you love me  
Say what's the matter, what's the matter with me?

What's the matter with me?

Oh, I wish that I could I let you love  
Wish that I could let you love me now  
I wish, I wish, I wish, I wish, I  
I wish, I wish, I wish, I wish, I[Verse 2]  
And every time it gets too real  
And every time I feel like sabotaging  
I start running again  
And every time I push away  
I really wanna say that I'm sorry (yeah)  
But I say nothing (yeah)

[Pre-Chorus]

See I wanna stay the whole night  
I wanna lay with you till the sun's up  
I wanna let you inside  
Oh, heaven knows I've tried[Chorus]  
I wish that I could I let you love  
Wish that I could let you love me  
I wish that I could I let you love  
Wish that I could let you love me  
Say what's the matter, what's the matter with me?

What's the matter with me?

Oh, I wish that I could I let you love  
Wish that I could let you love me now  
I wish, I wish, I wish, I wish, I

I wish, I wish, I wish, I wish, I [Bridge]  
(I wanna) stay with you till the morning  
(I wanna) lay with you through the sunrise  
(I wanna) show you that you're my only  
(I wanna lay with you till the sun's up)  
(I wanna) stay with you till the morning  
(I wanna) lay with you through the sunrise, through the sunrise  
Oh, heaven knows I've tried [Chorus 2]  
I wish that I could I let you love  
Wish that I could let you love me  
I wish that I could I let you love  
Wish that I could let you love me  
Say what's the matter, what's the matter with me?  
What's the matter with me?  
Oh, I wish that I could I let you love  
Oh, I wish that I could I let you love me  
Say what's the matter, what's the matter with me?  
What's the matter with me?  
Oh, I wish that I could I let you love  
Wish that I could let you love me now  
I wish, I wish, I wish, I wish, I  
I wish, I wish, I wish, I wish, I
