

# Photograph

Jamie Cullum

[Verse 1]

Her name was written on a photograph  
Right next to her red, sunburnt face  
It all had happened in that long tall grass  
About a mile from her old place  
And I can't remember how it started  
And if it lasted that day in the sun

[Verse 2]

We said that we were going to study hard  
We held our books instead of hands  
She held a blanket over cans of beer  
I can't deny I was so full of fear  
It's just another story caught up  
In another photograph I found  
And it seems like another person lived  
That life a great many years ago from now

[Chorus]

When I look back on my ordinary, ordinary life  
I see so much magic, though I missed it at the time  
When I look back on my ordinary, ordinary life  
I see so much magic, though I missed it at the time

[Verse 3]

And there's the first time that I tried that stuff  
I think I look a little green  
I remember throwing up behind a bush  
And I found it hard to use my feet  
And who's that easily led little boy  
Who's really off his head?

[Verse 4]

It was the same night that I kissed that girl  
The tall one with the auburn hair  
I remember laughing 'cause to kiss me  
She had to sit down on a chair  
She tasted like the schnapps she'd drunk  
And the cigarette she'd stolen from her mum  
And it's just another story caught up

In another photograph I found

[Chorus]

When I look back on my ordinary, ordinary life  
I see so much magic, though I missed it at the time  
When I look back on my ordinary, ordinary life  
I see so much magic, though I missed it at the time

[Instrumental]

Hey!

[Outro]

When I look back on my ordinary, ordinary life  
I see so much magic, though I missed it at the time
