

# Night By Night

## Steely Dan

"It's a beggars life", Said the Queen of Spain  
But don't tell it to a poor man  
'Cause he's got to kill for every thrill  
The best he can Everywhere around me  
I see jealousy and mayhem  
Because no men have all their peace of mind  
To carry them Well I don't really care  
If it's wrong or if it's right  
But until my ship comes in  
I'll live night by night  
When the joker tried to tell me  
I could cut it in this rube town  
When he tried to hang that sign on me  
I said "Take it down" When the dawn patrol got to tell you twice  
They're gonna do it with a shotgun  
Yes, I'm cashing in this ten-cent life  
For another one Well I ain't got the heart  
To lose another fight  
So until my ship comes in  
I'll live night by night Well I don't really care  
If it's wrong or if it's right  
But until my ship comes in  
I'll live night by night  
Night by night  
Night by night  
Night by night  
Night by night
