

# In a New York Minute

Ronnie McDowell

Ever since I've known ya you've belonged to someone else

So we've never talked about romance

But I think it's time I told you the way I've always felt

And what I'd do if I got the chance

I'd make love to you in a New York minute and take my

Texas time doing it

I'd do you every way but wrong

I'd make love to you in a New York minute and take my

Texas time doing it

I'd prove to you that in my arms is where you belong

Don't misunderstand me I wouldn't steal you from your man

But if he's ever fool enough to leave

Well you know how to reach me and you know where I am

And you know what I'd do if you were free

I'd make love to you in a New York minute and take my

Texas time doing it

I'd do you every way but wrong

I'd make love to you in a New York minute and take my

Texas time doing it

I'd prove to you that in my arms is where you belong

I'd make love to you in a New York minute and take my

Texas time doing it

I'd do you every way but wrong

I'd make love to you in a New York minute and take my

Texas time doing it

I'd prove to you that in my arms is where you belong
