

Dirty Harry

Sunspot Jonz

[Intro: Sunspot Jonz]

Yeah

Sometimes you know, if you raised a certain way it's gonna be that way

I mean if your daddy was a hustler, your momma a certain way

Yo ass gonna grow up to be that way

[Verse 1: Sunspot Jonz]

I've seen the money, fame

I've seen the bitches, cane

I dreamed I'd never turn into a ghetto youth slain

That's all they see you as

The cops they wanna blast

Achieving dreams and stacking cash (is all I know)

You wanna be a gangster?

Why don't you be a man?

They locking mother fuckers up, senior citizens

When you getting out?

Was it worth a damn?

Fuck a bitch, let the rims spin (is all I know)

I can't get a job, that's not how ballers do

Create the money, never slaved dead avenue

We sick with independents

Go sick and get up in this

If not, it ended real quick

Fast women, fast cars

We wanna be stars

We know nothing less, motherfucker go hard

If you really want it

I'mma beat up on it

My reflection, my opponent (is all I know)

[Hook: Sunspot Jonz]

Yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah

[Verse 2: Sunspot Jonz]

I gotta, look out for me

You better be all you can be

So bring your army never stop a man from nothing
See I believe in hunger
And words I put up on you
These streets of California's all I know
Yeah, yeah, yeah, yeah I got that
Something that is different, yeah
Now come back
We do it big down to the four track
Come now like brains with big ass
I ain't like everyone
That puts me second to none
You'll get DJ quicked, out the mix fade and done
Born and raised on the purple haze
Action talks fuck what you say (is all I know)
If you staying true, I'm always loving you
Inspire me, take me higher, we break the rules
Make my own standards
I'm your party planner
God give me strength (is all I know)

[Hook: Sunspot Jonz]
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
(Is all I know)

[Outro: Sunspot Jonz]
Yeah that's true
I don't know everything
I know some things
What I do know, that's what I do
And what I do (is all I know)
