

# All I Want Is You (feat. K-Ci & Gerald Levert)

Kelly Price

Oh baby, baby  
My love, I must confess  
I don't know what to do  
(Please tell me what is wrong)  
You're seeing someone else But I really care for you  
(Please tell me girl how long)  
It's been a little while  
And mama thinks I'm wrong  
(Sure you're right, I know you're right, yeah) Oh yes, she does  
She thinks that you're the one  
And you and I belong, ooh  
(Hmm, hmm, hmm, hmm)  
So if you take me back  
I promise to be true  
(Will you? Will you?)  
I've made up in my mind  
That all I want is you All I want is you  
But baby, I've been cheating  
All I want is you  
Don't know what I was thinking I've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
'Cause all I want is you My love, I must confess  
I care for him, it's true  
(Girl, I ain't gon' play no fool, no)  
I've still been seeing him while I've been seeing you  
(So what'cha gonna do?)  
He wants to settle down  
What you don't wanna do  
Why won't you marry me, baby, babe?  
(Oh)  
I thought you came around  
(Oh) But you just can't be moved  
(Oh)  
But I made up in my mind  
That what you want is cool  
(Baby, yeah)  
As long as you're around  
Then all I want is you All I want is you  
But baby, I've been cheating  
All I want is you  
Don't know what I was thinking I've made up my mind

It's time to say goodbye  
To him and him and all the other men  
'Cause all I want is youAll I want is you  
But baby, I've been cheating  
All I want is you  
Don't know what I was thinkingI've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
'Cause all I want is youBut, but, but, but  
You've been playing games  
(Do you really love me, girl?)  
Oh yes, I do  
(Do you really?)I do love you  
But it's not the same  
Sorry that I told a lie  
But I couldn't say goodbyeAll I want is you  
But baby, I've been cheating  
All I want is you  
Don't know what I was thinkingI've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
'Cause all I want is youAll I want is you  
But baby, I've been cheating  
All I want is you  
Don't know what I was thinkingI've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
'Cause all I want is youAll I want is you  
But baby, I've been cheating  
All I want is you  
Don't know what I was thinkingI've made up my mind  
It's time to say goodbye  
To him and him and all the other men  
'Cause all I want is youI got you over here  
I got him over there  
And all I want is you  
(Prove it, baby)  
To be my teddy bear  
(Prove it, baby)Oh baby, baby, baby  
(I'm crying inside, oh, oh, oh)  
All the other men  
(Ooh wee)  
All I want is youAll I want is you  
(Somebody help me, somebody help me)  
Don't know what to do  
(Somebody help me)Tell me what to do, hey, hey  
(Kelly don't do this, Kelly, don't it, don't it)  
(Kelly, Kelly, don't do it)  
Gerald baby, K-Ci, baby

All I want is oh, oh, oh
