

Oh Yes

Juelz Santana

Okay, get up, get up
DipSet, Juelz Santana, Heatmakerz
I think this the one right here
Everybody, come on, get up, he's movin' againI'm like, oh yes
I'm nice, wait Mr, Mr
Still pitching, weight
Still flipping, weight, yeahSo come fuck with the boy
I'm still pumping the boy
I'll still dump on the boy
Blue steel pump to the boyI'm Mr. Postman
Also Mr. Toastman
I'm yellin', wait
Yeah, I'm sellin', weight, hey
I keep my chick on smash like a muhfucker
Thick lips, hips, tits, ass like a muhfucker
I get big chips, cash like a muhfucker
I don't wait, nope, I won't wait, yeahI explore and cruise
Islands and shores that's new
Bring the boat out, smoke out
Watch the water moveI'm a water dude
Jet skis, water pools
Surfing the wave
I'm hurting the wave, yeahLike, Cowabunga, dude
This forty cali-caliber
Cowabunga you
Bump you like how a bumper do
I'm on the corner
Pumpin' like how a pumper do
What, that weight
Yup, that weightAy, oh yes

Say, oh yes
Wait a minute this the this-the-thisThis the jam, yep
Put your hands up
And just wave
And just waveAy, oh yes
