Don't Cry

Seal

Don't be so hard on yourself
Those tears are for someone else
I hear your voice on the phone
I hear you feel so alone
My baby
Oh my baby
Please my baby

My babyWhen we were young And truth was paramount

We were older then,

And we lived a life without any doubt

Those memories,

They seem so long ago

What's become of them? (They've all gone for sure)

When you feel like me I want you to know

Don't cry

Not alone

Don't cry tonight, my baby
Don't cry you'll always be loved
Don't cry tonight my babyToday I dreamed

Of friends I had before

And I wonder why

The ones who care don't call anymore

My feelings hurt

But you know I overcome the pain

And I'm stronger now

There can't be a fire unless there's a flame

Don't cry

Your not alone

Don't cry tonight, my baby

Don't cry you'll always be loved

Don't cry oh

Limousines and sycophants

Don't leave me now,

'Cause I'm afraid what you've done to me

Is now the wolf

In my bedIn my head

In my head

In my headThe challenges, we took were hard enough

They get harder now

Even when we think that we've had enough

Don't feel alone,

'Cause it's I you understand I'm your sedative,

Take a piece of me whenever you canDon't cry you're not alone (don't be so hard on yourself)
Don't cry tonight my baby (these tears are for someone else)Don't cry you'll always be loved (I
hear your voice on the phone)

Don't cry tonight sweet baby (I hear you fear so alone)Don't cry, don't cry, don't cry, don't you cry, cry

Don't cry 'cause you still be loved Don't cry

Don't cry tonight, ohMy baby, my baby

My baby, my baby

Don't cry tonight

You'll still be loved
