

Party Girls (feat. Rico Love)

Ya Boy

[Intro: Rico Love]

The party ain't over dont you think about leaving

Oh woah oh woah

Yeah... Turn the lights on

[Chorus: Rico Love]

Girl your more than invited

Party girls, party girls

To the party that plays inside my head

Party girls

Got me oh so excited

Party girls, party girls

And I cant, oh no girl I cant

Cant get you out of my head

[Verse 1: Ya Boy]

Girl you ?

I ain't gonna lie

I just wanna set here watch all night

New ? with sprite, Patron on ice

Baby girl let me come change your life

Party all day party all night
Drink in your left other hand in the sky
She can gemini, what you getting in tonight
Let me come out at night, love meet me in the sky

[Chorus: Rico Love]

Girl your more than invited
Party girls party girls
To the party that plays inside my head
Party girls
Got me oh so excited
Party girls, party girls
And I cant, oh no girl I cant
Cant get you out of my head
Party girls, party girls, party girls
Party ain't over don't you think about leaving

[Verse 2: Ya Boy]

Love the way she rocking them rocking revivals
In them 6 inch heels with red bottoms
Dancing with a girl like they go both ways
Lil ma on fire no propane
Love get me higher no cocaine
Look up she flyer than those planes
Later on she ride me like no lanes

You know them party girls always want mo mane

[Chorus: Rico Love]

Girl your more than invited

Party girls party girls

To the party that plays inside my head

Party girls

Got me oh so excited

Party girls, party girls

And I cant, oh no girl I cant

Cant get you out of my head

Party girls, party girls, party girls

Party ain't over don't you think about leaving

[Verse 3 : Ya Boy]

Looking in her eyes through the flashing lights

Tiffany earrings the flashy type

Body of a goddess fashion tight

Frankie B jeans make that ass look right

And she party like a rockstar with a rockstar

After party at her house hopped in my car

Aston Mar, baby let ya seat back,

Tell your friends goodnight baby we'll be back

[Chorus: Rico Love] x3

Girl your more than invited

Party girls party girls

To the party that plays inside my head

Party girls

Got me oh so excited

Party girls, party girls, party girls

And I cant, oh no girl I cant

Cant get you out of my head

Party girls, party girls, party girls

Party ain't over don't you think about leaving

Oh woah, oh woah, ah ah ah ah ah ah

Oh woah, oh woah, oh woah, oh woah
