Baby I'm wasted
All I wanna do is drive home to youBaby I'm faded
All I wanna do is take you downtownBaby I'm wasted
All I wanna do is drive home to youBaby I'm faded
All I wanna do is take you downtown
Baby
Baby I'm wasted
All I wanna do is drive home to youBaby I'm faded
All I wanna do is take you downtownBaby I'm wasted
All I wanna do is drive home to youBaby I'm faded
All I wanna do is take you downtownBaby I'm wasted
All I wanna do is drive home to youBaby I'm faded
All I wanna do is take you downtownBaby I'm wasted
All I wanna do is drive home to you
Baby I'm faded
All I wanna do is take you downtown
