

# Ask Myself

Robin Thicke

I gotta ask myself,  
What's it gon' be?  
Am I gon' save myself?  
What's it gon' be?  
I gotta ask myself,  
What I'm gon' do?  
Am I gon' save myself?  
What's it gon' be? I gotta pop up, pop up  
Gotta get up every day  
Something for me and my family  
I gotta make decisions  
And be somebody  
I'm growin up as fast as I can  
I gotta make some money  
Don't wanna live by their rules  
In and out the day  
In and out the night  
Im a find my way  
Just to survive I gotta ask myself,  
What's it gon' be?  
Am I gon' save myself?  
What's it gon' be?  
I gotta ask myself,  
What I'm gon' do?  
Am I gon' save myself?  
What's it gon' be? Something beautiful inside of me  
Something wonderful inside of me  
Something beautiful inside of me  
Something wonderful inside of me  
I gotta pop up, pop up  
Gotta live up to the words  
Everyones talkin', talkin'  
I gotta be somebody  
And for my baby  
I'm growin up as fast as I can  
I gotta make life better for everyone Everyone, everyone, everyone  
Just to survive I gotta ask myself,  
What's it gon' be?  
Am I gon' save myself?  
What's it gon' be?  
I gotta ask myself,  
What I'm gon' do?

Am I gon' save myself?  
What's it gon' be?
