Lyrics for Psycho by Amy Shark feat. Mark Hoppus

I can tell that you're upset right now
Think you're being a little dramatic, babe
And take me for a walk outside your house
Baby, you're on fire, let me help
And I ask you 'cause I wanna to know
Not because I'm psycho
Just because I care a lot
And I touch you the way I do
'Cause I'm falling in love with you
And I don't do this every day
I can feel your eyes across the room
Stops my heartbeat every single time
And you're talking to some guy that I once knew
What was that look when you both said goodbye
I ask you 'cause I wanna to know
Not because I'm psycho
Just because I care a lot
And I touch you the way I do
'Cause I'm falling in love with you
And I don't do this every day
And I ask you 'cause I wanna to know
Not because I'm psycho
Just because I care a lot
And I touch you the way I do
'Cause I'm falling in love with you
And I don't do this everyday
And I will change all my plans just to be where you are
And all the light in the street come on all at once
And look at you, look at you under this pretty sky
And look at me, honey, I could do this all the time
And I ask you 'cause I wanna to know
Not because I'm psycho
Just because I care a lot
And I touch you the way I do
'Cause I'm falling in love with you
And I don't do this every day
And I ask you 'cause I wanna to know
Not because I'm psycho
Just because I care a lot
And I touch you the way I do

'Cause I'm falling in love with you
And I don't do this every day
And I ask you 'cause I wanna to know
Not because I'm psycho
Just because I care a lot
And I touch you the way I do
'Cause I'm falling in love with you
And I don't do this every day
