

She's No You

Jesse McCartney

They got a lotta girls who know they got it goin' on
But nothing's ever a comparison to you
Now can't you see that you're the only one I really want
And everything I need is everything you do Any girl walk by don't matter
Cause you're looking so much better
Don't ever need to get caught up in jealousy
She could be a super model
Every magazine the cover
She'll never mean a thing to me
She's no you... oh, no
You give me more than I could ever want
She's no you... oh, no
I'm satisfied with the one I've got
'Cause you're all the girl that I ever dreamed
She's only a picture on a magazine
She's no you
She's no you They gotta a lotta girls who dance in all the videos
But I prefer the way you do, the way you move
You're more than beautiful and just wanna let you know
That all I ever is what I've got with you Any girl walk by don't matter
Everytime you're looking better
I think you're perfect, there ain't nothing I would change
She could be super model
Every magazine the cover
She'll never take my heart away
She's no you... oh, no
You give me more than I could ever want
She's no you... oh, no
I'm satisfied with the one I've got
'Cause you're all the girl that I ever dreamed
She's only a picture on a magazine
She's no you
She's no you No one's ever gonna get to me... oh
The way you do now baby can't you see
That you are the one, the only one
Who's ever made me feel this way
Nothing's ever coming even close, no
No one's ever been comparable
To you, ohh oh yeah I don't want... nothing... I don't got
I don't need... nothing... but you
I can't get more than... you give me
So don't stop anything you do

You're all that... all that... then some You know what... just what I need
And no girl... no place... nowhere
Could ever mean a thing to me She's no you... oh, no
You give me more than I could ever want
She's no you... oh, no
I'm satisfied with the one I've got
'Cause you're all the girl that I ever dreamed
She's only a picture on a magazine
She's no you (She's no you, girl)
She's no you She's no you (They got a lot of girls who know they got it goin' on)
You give me more than I could ever want
She's no you (Now can't you see that you're the only one I really want)
Satisfied with the one I've got
'Cause you're all the girl that I ever dreamed
She's only a picture on a magazine
She's no you
She's no you
