

Nobody Not Really (Interlude)

Alicia Keys

Who really cares?

When I talk?

What I feel?

What I say?

Nobody, not really

Who wants to take

The time to understand?

I would like

Someone to heal me with some empathy

But I can't find

Nobody, not really

Maybe I'm invisible to the world

Does anyone on the world even think of me

As more than just a hopeless cause

Maybe the world is not my block

My stoop

My life, my dreams

My anything

So, who wants to help?

Momma but she's so tired

Papa but you're not here

I'm alone in a big empty space with

Nobody, not really
