

Seasons In the Abyss

Slayer

Razors edge outlines the dead, incisions in my head.
Anticipation, the stimulation
To kill the exhilarationClose your eyes
Look deep in your soul
Step outside yourself
And let your mind go
Frozen eyes stare deep in your mind as you DIEClose your eyes
And forget your name
Step outside yourself
And let your thoughts drain
As you go insane... go insane!
Innate seed
To watch you bleed
A demanding physical need
Desecrated eviscerated
Time perpetuatedClose your eyes
Look deep in your soul
Step outside yourself
And let your mind go
Frozen eyes stare deep in your mind as you DIEClose your eyes
And forget your name
Step outside yourself
And let your thoughts drain
As you go insane... go insane!
Inert flesh
A bloody tomb
A decorated splatter brightens the room
An execution a sadist ritual
Mad intervals of mind residualsClose your eyes
Look deep in your soul
Step outside yourself
And let your mind go
Frozen eyes stare deep in your mind as you DIEClose your eyes
And forget your name
Step outside yourself
And let your thoughts drain
As you go insane... go insane!
