Crazy Beautiful Sexy

Old Dominion

I've never liked Def Lepard
'til I heard you sing that song.
I've never wanted to go to Cali
'til you had that t-shirt on.
I never wanted to change my style,
change my point of view.
the truth is girl I'd take this whole damn thing
and change it all for you.
You got that real thing,
that good vibey feel thing,
that roller coaster thrill thing,
that just keeps turning me on.
Gives me that heart rush
that can't help but wanna touch
and I just cant get enough
baby just keep bringing it on.
Crazy, beautiful, sexy, unusual
Innocent, provocative,
so classic your rockin' it.
Crazy, beautiful, sexy.
I wanna be one of those late night things
that keeps you up
I wanna be the digits that you dial
when you get drunk
I wanna be that smile that's on your face
that all your friends don't understand.
I'll be the stamp from the club
that won't wash off your hand
You got that real thing,
that good vibey feel thing,
that roller coaster thrill thing,
that just keeps turning me on.
Gives me that heart rush
that can't help but wanna touch
and I just cant get enough
baby just keep bringing it on.
Crazy, beautiful, sexy, unusual
Innocent, provocative,
so classic your rockin' it.
Crazy, beautiful, sexy.
...
Candy smooth, your midnight moves,

your go to groove.
Whatever you got, it's sunshine hot,
girl I need you.
You got that real thing,
that good vibey feel thing,
that roller coaster thrill thing,
that just keeps turning me on.
Gives me that heart rush
that can't help but wanna touch
and I just cant get enough
baby just keep bringing it on.
Crazy, beautiful, sexy, unusual
Innocent, provocative,
so classic your rockin' it.
Crazy, beautiful, sexy.
Crazy, beautiful, sexy.
