

In the Waiting Line

Zero 7

Wait in line
'Till your time Ticking clock
Everyone stop Everyone's saying different things to me Different things to me
Everyone's saying different things to me
Different things to me
Do you believe
In what you see
There doesn't seem to be anybody else who agrees with me
Do you believe In what you see Motionless wheel
Nothing is real
Wasting my time
In the waiting line Do you believe
in what you see Nine to five
Living lies
Everyday
Stealing time
Everyone's taking everything they can
Everything they can
Everyone's taking everything they can
Everything they can
Do you believe
In what you feel
It doesn't seem to be anybody else who agrees with me
Do you believe
In what you see
Motionless wheel
Nothing is real
Wasting my time
In the waiting line
Do you believe
In what you see
And I'll shout and I'll scream
But I'd rather not have seen
And I'll hide away for another day
Do you believe
In what you see
Motionless wheel
Nothing is real
Wasting my time
In the waiting line
Do you believe
In what you see

Everyone's saying different things to me
Different things to me
Everyone's saying different things to me
Different things to me
Everyone's saying different things to me
Different things to me
Everyone's saying different things to me
Different things to me
Everyone's taking everything they can
Everything they can
Everyone's taking everything they can
Everything they can
