

I Dare You

Shinedown

[Verse 1]

Hello

Let me introduce you to
The characters, in the show
One says yes, one says no
Decide

Which voice in your head you can keep alive

[Pre-Chorus]

Even in madness I know you still believe
Paint me on canvas so I become
What you could never be

[Chorus]

I dare you to tell me to walk through fire
Wear my soul and call me a liar
I dare you tell me to walk through fire
I dare you to tell me, I dare you to

[Verse 2]

Hello

Are you still chasing
The memories, in shadows
Some stay young, some grow old
Come alive
There are thoughts unclear, you can never hide

[Pre-Chorus]

Even in madness I know you still believe
Paint me on canvas so I become
What you could never be

[Chorus]

I dare you to tell me to walk through fire
Wear my soul and call me a liar
I dare you tell me to walk through fire
I dare you to tell me, I dare you to

[Bridge]

Hello

Hello

[Chorus]

I dare you to tell me to walk through fire
Wear my soul and call me a liar
I dare you tell me to walk through fire
I dare you to tell me, I dare you to

[Outro]

Hello

Hello

I dare you to tell me, I dare you to
I dare you to tell me, I dare you to
