

# Stronger

Kanye West

[Produced by Kanye West, Mike Dean, and Timbaland]

[Intro]

Work it, make it, do it, makes us  
Harder, better, faster, stronger

[Chorus]

N-now th-that that don't kill me  
Can only make me stronger  
I need you to hurry up now  
'Cause I can't wait much longer  
I know I got to be right now  
'Cause I can't get much wronger  
Man, I've been waiting all night now  
That's how long I been on ya  
(Work it harder, make it better  
Do it faster, makes us stronger)  
(I need you right now!)  
(I need you right now!)

[Verse 1]

Let's get lost tonight  
You could be my black Kate Moss tonight  
Play secretary, I'm the boss tonight  
And you don't give a fuck what they all say, right?  
Awesome, the Christian in Christian Dior  
Damn, they don't make 'em like this anymore  
I ask, 'cause I'm not sure  
Do anybody make real shit anymore?  
Bow in the presence of greatness  
'Cause right now thou hast forsaken us  
You should be honored by my lateness  
That I would even show up to this fake shit  
So go ahead, go nuts, go apeshit  
'Specially in my Pastellé, on my Bape shit  
Act like you can't tell who made this  
New Gospel, homie, take six  
And take this, haters!

[Chorus]

N-now th-that that don't kill me  
Can only make me stronger  
I need you to hurry up now  
'Cause I can't wait much longer  
I know I got to be right now  
'Cause I can't get much wronger  
Man, I've been waiting all night now  
That's how long I been on ya  
(Work it harder, make it better  
Do it faster, makes us stronger)  
(I need you right now!)  
(I need you right now!) me likey

[Verse 2]

I don't know if you got a man or not  
If you made plans or not  
If God put me in your plans or not  
I'm trippin', this drink got me sayin' a lot  
But I know that God put you in front of me  
So how the hell could you front on me?  
There's a thousand you's, there's only one of me  
I'm trippin', I'm caught up in the moment, right?  
'Cause it's Louis Vuitton Don night  
So we gon' do everything that Kan like  
Heard they'd do anything for a Klondike  
Well, I'd do anything for a blonde dyke  
And she'll do anything for the limelight  
And we'll do anything when the time's right  
Uh, baby, you're makin' it  
(Harder, better, faster, stronger)

[Chorus]

N-now th-that that don't kill me  
Can only make me stronger  
I need you to hurry up now  
'Cause I can't wait much longer  
I know I got to be right now  
'Cause I can't get much wronger  
Man, I've been waiting all night now  
That's how long I been on ya  
(Work it harder, make it better  
Do it faster, makes us stronger)  
(I need you right now!)  
(I need you right now!)

[Bridge]

You know how long I've been on ya  
Since Prince was on Apollonia  
Since O.J. had Isotoners

Don't act like I never told ya  
Don't act like I never told ya  
Don't act like I never told ya  
Don't act like I never told ya  
Don't act like I never told ya  
Baby, you're makin' it  
(Harder, better, faster, stronger)

[Chorus]

N-now th-that that don't kill me  
Can only make me stronger  
I need you to hurry up now  
'Cause I can't wait much longer  
I know I got to be right now  
'Cause I can't get much wronger  
Man, I've been waiting all night now  
That's how long I been on ya  
(Work it harder, make it better  
Do it faster, makes us stronger)  
(I need you right now!)  
(I need you right now!)  
Right now!  
Work it harder, make it better  
Do it faster, makes us stronger  
(I need you right now!)  
(I need you right now!)

[Outro]

You know how long I've been on ya  
Since Prince was on Apollonia  
Since O.J. had Isotoners  
Don't act like I never told ya  
You know how long I've been on ya  
Since Prince was on Apollonia  
Since O.J. had Isotoners  
Don't act like I never told ya told ya told ya  
Never told ya...told ya told ya told ya  
Never told ya...told ya told ya told ya  
Never told ya...told ya told ya told ya  
Never told ya...told ya told ya told ya  
Never over...Never over... Never over... Never over...  
Never over...Never over... Never over... Never over...  
(Harder, better, faster, stronger)  
Work it harder, make it better  
Do it faster, makes us stronger  
More than ever, hour after—  
Our work is never over  
Work it harder, make it better  
Do it faster, makes us stronger

More than ever, hour after—  
Our work is never over  
Work it harder, make it better  
Do it faster, makes us stronger  
More than ever, hour after—  
Our work is never over  
Work it harder, make it better  
Do it faster, makes us stronger  
More than ever, hour after—  
Our work is never over
