

# Even Though I'm Leaving

Luke Combs

[Verse 1]

Daddy, I'm afraid, won't you stay a little while?  
Keep me safe 'cause there's monsters right outside  
Daddy, please don't go, I don't wanna be alone  
'Cause the second that you're gone they're gonna know  
Before he went to bed he grabbed my hand and said

[Chorus]

Just 'cause I'm leavin'  
It don't mean that I won't be right by your side  
When you need me  
And you can't see me in the middle of the night  
Just close your eyes and say a prayer  
It's okay, I know you're scared when I'm not here  
But I'll always be right there  
Even though I'm leavin', I ain't goin' nowhere

[Verse 2]

Dad, we'll be late, and Uncle Sam don't like to wait  
He's got a big old plane that's gonna take me far away  
I know I act tough, but there's a churnin' in my gut  
'Cause I just can't call you up when things get rough  
Before I left, he hugged my neck and said

[Chorus]

Just 'cause you're leavin'  
It don't mean that I won't be right by your side  
When you need me  
And you can't see me in the middle of the night  
Just close your eyes and say a prayer  
It's okay, I know you're scared I might be here  
But I'll always be right there  
Even though you're leavin', I ain't goin' nowhere

[Bridge]

Daddy, I'm afraid, won't you stay a little while?  
I never thought I'd see the day I had to say goodbye  
Daddy, please don't go, I can't do this on my own  
There's no way that I can walk this road alone

Daddy grabbed my hand and said

[Chorus]

Just 'cause I'm leavin'  
It don't mean that I won't be right by your side  
When you need me  
And you can't see me in the middle of the night  
Just close your eyes and say a prayer  
It's okay, boy, I ain't scared  
I won't be here, but I'll always be right there  
Even though I'm leavin', I ain't goin' nowhere  
I ain't goin' nowhere
