

# Silvia

## Miike Snow

Reach the city steps tonight  
Following the power lines  
Met a man barside  
With eclipses for eyes  
And you tell yourself you won't let them touch  
Did I say too much? Did I say enough?  
I don't know, Silvia  
I don't know, Silvia Circle round the room still  
Have fun breaking my will  
No, I can't have you here  
Someone else on your skin And it's all my fault for not getting off  
so you made it start, can you make it stop?  
You don't know, Silvia  
You don't know, Silvia SIIIIIIILLLLLLLLVVVVVVVVIIIIIIIAAAAAAA  
SIIIIIIILLLLLLLLVVVVVVVVIIIIIIIAAAAAAA Reach the city steps tonight  
Following the power lines And your skin is so white  
Underneath the black night  
And your voice cries out for the coup de grâce  
And the lights go out, will there be a trace?  
That I loved, Silvia  
That I loved, Silvia  
(That I loved, Silvia)  
SIIIIIIILLLLLLLLVVVVVVVVIIIIIIIAAAAAAA  
SIIIIIIILLLLLLLLVVVVVVVVIIIIIIIAAAAAAA (That I loved,  
Silvia) (SIIIIIIILLLLLLLLVVVVVVVVIIIIIIIAAAAAAA)  
(SIIIIIIILLLLLLLLVVVVVVVVIIIIIIIAAAAAAA)
