

Intuition (feat. Sonta & 2PRETTY)

G Herbo

[Intro: G Herbo & Melissa Jiménez]

I can feel it in the air

85% communication nonverbal, man, you gotta stay sharp

That might be pussy to the next nigga

But this game we play about durability (C-Sick)

Who gon' last the longest?

You're only as gangsta as your accomplishments as a man, nigga

So when I say I'm goin' gangsta, that mean I'm workin' on somethin'

Straight up

[Chorus: 2PRETTY & Sonta]

I can feel it in the air

I can feel it in the air, ooh-ooh

I can feel it in the air, the air

I didn't hear it in your voice

I can feel it in the air

[Verse 1: G Herbo & 2PRETTY & Sonta]

Re-spin the block, we just seen the opps (Where they at?)

Now we ain't finna go back inside 'til we send some shots

I don't get to talk a lot, but I seen the most

I don't know if it was an angel or I seen a ghost (For real)

I could have saved my bro that day, got caught up with his pole (Damn)
I was supposed to yell "four-seven" first, but I couldn't even clear my throat (Four-seven)
When some shit ain't right, I swear I feel it in my soul (Swear I feel it in my soul)
I'm still under investigation, I wouldn't have been if had told (I can feel it in the air)
We was loaded, unlocked all the doors (Come on)
If one man show any weakness, then we all exposed
Hit the safehouse, had a local spot with all the poles (Ayy)
Quick shit, switch whips, those was audibles
Everything Max told me, I guess only God'll know (Love you, nigga)
My whole vision fell in line like dominoes
I'm just tryna rap and grind, but I'm in the streets (For real)
I gotta separate from my bros, I'm way in too deep (I can feel it in the air)
We got enemies, whenever we meet, they poppin' the iron
So tell me what that say 'bout us if we on top of the line (No limit)
And the police gon' forever try and put stop to my shine
Pyramids, they got my face up at the top of the sun (For what?)
Mad I'm always able to pay all these impossible fines (Swear)
Come from sacrifices, hard work, investments and time
And my gut, I follow it, I'm never neglectin' the signs (Never neglectin')
Appreciate the lessons and the blessings I keep catchin', they're mine

[Interlude: G Herbo & 2PRETTY & Sonta]

(I can feel it in the air)

My biggest accomplishment as a man was acknowledgin' (Ooh-ooh)

What I was doin' wrong (I can feel it in the air)

When the world around me was full of chaos
Not pointin' a finger at nobody but myself (Ooh-ooh)
For not takin' control of my destiny
(I can feel it in the air)
I see people all around the world sayin' what they wanna be
Askin' why they ain't there yet (The air)
And it's two reasons to me every time (I can hear it in your voice)
Either you haven't fully committed yourself to where you wanna be
Or your time just ain't come yet
It's that simple (I can feel it in the air)

[Verse 2: G Herbo & 2PRETTY & Sonta]

All I know is loyalty (All I know)
Been a gangsta morally (For sure)
I'm still here 'cause I ain't care 'bout who was gangsta more than me (I can feel it in)
Act like they forgot my past, shit must be historical
Ever seen a gangsta die? Nigga, that's rhetorical
Watch too many gangstas die (Ooh-ooh), seen too many mama's cry (Ooh-ooh)
I'm gon' chase a hundred-million, I don't wanna be no homicide (I can hear it in your voice)
Look at all these niggas laugh and smile and his mama cryin' (Damn)
I can feel these niggas' love fake, but I don't wonder why
I don't wanna talk to God no more, but I know I don't wanna die
I just feel my intuition tickin', I don't wanna slide
Youngin' was just itchin' in a blink, and I ain't wanna drive
Grind this shit, got hot, I'm at the spot but I ain't on the fire

Sergeant pulled my Tesla over, got my gun on the side
Can't take off, she eight months pregnant with my son at the time (I can hear it in your voice)
Fuck it, gotta take a charge, borrow money, extra large (I'll pay you back)
Ain't this some shit? Look at God (I can hear it in the air)
He ain't even wanna search the car (Ayy)

[Interlude: 2PRETTY & Sonta]

You can't separate or compare freedom from peace (Ooh-ooh)
Because no one can be at peace unless they have freedom (I can feel it in the air)
And we're not even born free (Shit)
At least that's where I'm from (Ooh-ooh)
Everything I seen growin' up was poverty-stricken (Okay)
(I can feel it in the air)
Shit was damaged, taken from us, or taken advantage of already (The air)
And this is what we exposed to all day
That's what damaged us (I can hear it in your voice)
And if you don't understand what I'm talkin' about
You never been through it
I guess you one of the people I'm sayin' this to and not for
(I can feel it in the air)
You feel me?

[Outro: 2PRETTY & Sonta]

Ooh-ooh
I can feel it in the air

Ooh-ooh

I can feel it in the air
