## Think of You

## Case

nooo... nooo... you see it... no no no.no no listen baby there's something crazy I'm feelin and I don't even know what I can do about it it keeps me up in the evenin and I just can't clear my head.of youBaby I don't know what it is. thats tellin me that nothing could be more than lovin you I try to get my thoughts and my feelings together but no matter how I try to find it, brings me back to you (in the morning) I think of you (day and night) baby I think of you (everyday) I think of you (and every other day) oooh, I can too (when it rains) I think of you (when I cry) baby I think of you I don't understand what makes me think of you baby, I just doeveryday this feeling gets stronger not a minute or hour goes by that I'm not thinking of the for the very first time in my life, I feel deep inside I know the answer in what I feel is realbaby now I know what it is thats been tellin me that nothin could be more than lovin you now I got my thoughts and feelings together see I understand the vibe I'm gettin, now I run to you (in the morning) I think of you (day and night) baby I think of you (everyday) I think of you (and every other day) oooh, I can too (when it rains) I think of you (when I cry) baby I think of you I don't understand what makes me think of you baby, I just do(in the morning) I think of you (day and night) baby I think of you (everyday) I think of you (and every other day) oooh, I can too (when it rains) I think of you (when I cry) baby I think of you I don't understand what keeps me (keeps me) thinking of you I dorepeat till end
