

Sometimes I Do

Social Distortion

Sometimes i like you
and sometimes i don't
i feel like i'm gonna
then i won't sometimes i wanna live
to see a hundred
other times i wanna
lay down and die(chorus)
Sometimes I do and sometimes I don't
Sometimes I do and sometimes I don't
Sometimes I do and sometimes I don't
Sometimes I do and sometimes I don't
sometimes i'm weak
and sometimes i'm strong
you know i loved you
all along sometimes i'm rich
and sometimes i'm poor
nothing really matters
when you dead on the floor(chorus) sometimes i'm hot
and sometimes i'm cold
sometimes i feel like i'm getting old sometimes i'm fast and
sometimes i'm slow
other times i don't even wanna go(chorus)
sometimes i laugh and
sometimes i cry
other times i sit ans wonder why sometimes i'm up and
sometimes i'm down
other times i wanna blow this town(chorus)
