

Stillborn (feat. Ozzy Osbourne)

Black Label Society

Blinded, erase what was
Stillborn, I have become The feelings I once felt are now dead and gone
I've waited here for you for so very long So empty, just a shell of a man
Stillborn, this I understand The feelings I once felt are now dead and gone
I've waited here for you for so very long Girl, I've waited here for you so long
Girl, I've waited here for you, for you The feelings I once felt are now dead and gone
I've waited here for you for so very long
Girl, I've waited here for you so long
Girl, I've waited here for you so long
Girl, I've waited here for you so long
I waited here for you, for you
