## Whenever I Call You "Friend"

## **Kenny Loggins**

Whenever I call you friend I begin to think I understand Anything we are

You and I have always been ever and everI see myself within your eyes

And that's all I need to show me why

Everything I do always takes me home to you

Ever and everNow I know my life has given me

More than memories

Day by day we can see

In every moment there's a reason to carry onSweet love showin' us a heavenly light

I've never seen such a beautiful sight

Sweet love flowin' almost every night

I know forever we'll be doin' it

Sweet love showin' us a heavenly light

I've never seen such a beautiful sight

Sweet love flowin' almost every night

I know forever we'll be doin' it rightWhenever I call you friend

I believe I've come to understand

Everywhere we are you and I were meant to be

Forever and everI think about the times to come

Knowin' I will be the lucky one

Ever our love will last

I always want to call you friendSweet love showin' us a heavenly light

Never seen such a beautiful sight

Sweet love flowin' almost every night

I know forever we'll be doin' it

Now I know my life has given me

More than memories

Day by day we can see

In every moment there's a reason to carry onSweet love showin' us a heavenly light

Never seen such a beautiful sight

Sweet love flowin' almost every night

I know forever we'll be doin' it doin' itSweet love showin' us a heavenly light

I never seen such a beautiful sight

Sweet love flowin' almost every night

I know forever we'll be doin' it, doin' it, doin' itSweet love, sweet love, yeah

You're the glowing light in my life

So, so bright in my life

Oh, everything I do sends me back to you

Whenever I call you friend
