

# Mistake

Chloe x Halle

[Verse 1]

I make mistakes  
More than I count on my fingers  
We good today  
Then the wrong things come and linger  
Forgive and forget  
But some things I just remember  
I know I make mistakes  
But I learn and then it's over (oh oh)  
(oo oo oo oo oo oo-ah)  
(oo oo oo oo oo oo-ah)

[Verse 2: Both]

That's why pencil come with eraser  
(Pencil come with eraser)  
Pencil come with eraser  
We don't have to be paper tracers  
Cause pencil come with eraser

[Chorus: Both]

(Gone Gone)  
It's gone, gone, gone, gone  
It's gone, gone, gone, gone  
It's gone, gone, gone, gone  
(bye bye bye bye bye bye bye)  
Gone, Gone, Gone (gone)

[Outro: Both]

I'll see you later  
See you later  
See you later  
Later-Later-Later-Later-Later  
See you later (gone, gone)  
It's gone, gone, gone  
Gone, gone, gone, gone (gone)  
Gone, gone, gone  
(bye bye bye bye bye bye bye)  
(Gone)
