

# Without Me

Eminem

Obie Trice, real name no gimmicks  
Two trailer park girls go round the outside  
Round the outside, round the outside  
Two trailer park girls go round the outside  
Round the outside, round the outside  
Guess who's back

Back again

Shady's back

Tell a friend

Guess who's back, guess who's back

Guess who's back, guess who's back

Guess who's back, guess who's back

Guess who's back

I've created a monster

'Cause nobody wants to see Marshall no more

They want Shady, I'm chopped liver

Well if you want Shady, this is what I'll give you

A little bit of weed mixed with some hard liquor

Some vodka that'll jump start my heart quicker

Than a shock when I get shocked at the hospital

By the doctor when I'm not co-operating

When I'm rockin' the table while he's operating

You waited this long, now stop debating

'Cause I'm back, I'm on the rag and ovulating

I know that you got a job, Ms. Cheney

But your husband's heart problem's complicating

So the FCC won't let me be

Or let me be me, so let me see

They try to shut me down on MTV

But it feels so empty, without me

So, come on and dip, bum on your lips

fuck that, cum on your lips, and some on your tits

And get ready, 'cause this shit's about to get heavy

I just settled all my lawsuits, fuck you Debbie!

Now this looks like a job for me

So everybody, just follow me

'Cause we need a little, controversy

'Cause it feels so empty, without me I said "This looks like a job for me"

So everybody, just follow me

'Cause we need a little, controversy

'Cause it feels so empty, without me Little Hellions, kids feelin' rebellious

Embarrassed their parents still listen to Elvis

They start feelin' like prisoners helpless

'Til someone comes along on a mission and yells, bitch!

A visionary, vision of scary

Could start a revolution, pollutin' the airwaves  
A rebel, so just let me revel and bask  
In the fact that I got everyone kissin' my ass  
And it's a disaster, such a catastrophe  
For you to see so damn much of my ass  
You asked for me?  
Well I'm back  
Na-na-na-na-na-na-na-na-na-naFix your bent antenna tune it in and then I'm gonna  
Enter in, endin' up under your skin like a splinter  
The center of attention, back for the winter  
I'm interesting, the best thing since wrestling  
Infesting in your kid's ears and nesting  
Testing, attention please  
Feel the tension, soon as someone mentions me  
Here's my ten cents, my two cents is free  
A nuisance, who sent? You sent for me?  
Now this looks like a job for me  
So everybody, just follow me  
'Cause we need a little, controversy  
'Cause it feels so empty, without me  
I said, "This looks like a job for me"  
So everybody, just follow me  
'Cause we need a little, controversy  
'Cause it feels so empty, without me  
A-tisket a-tasket, I go tit for tat with  
Anybody who's talkin' this shit, that shit  
Chris Kirk Patrick, you can get your ass kicked  
Worse than them little Limp Bizkit bastards  
And Moby? You can get stomped by Obie  
You thirty-six year old baldheaded fag, blow me  
You don't know me, you're too old, let go  
It's over, nobody listen to techno  
Now let's go, just gimme the signal  
I'll be there with a whole list full of new insults  
I been dope, suspenseful with a pencil  
Ever since Prince turned himself into a symbol  
But sometimes the shit just seems  
Everybody only wants to discuss me  
So this must mean I'm disgusting  
But it's just me, I'm just obscene  
No I'm not the first king of controversy  
I am the worst thing since Elvis Presley  
To do black music so selfishly  
And used it to get myself wealthy  
There's a concept that works  
Twenty million other white rappers emerge  
But no matter how many fish in the sea  
It'll be so empty, without meNow this looks like a job for me  
So everybody, just follow me

'Cause we need a little, controversy  
'Cause it feels so empty, without meI said "This looks like a job for me"  
So everybody, just follow me  
'Cause we need a little, controversy  
'Cause it feels so empty, without meKids!
