Do It

Chloe x Halle

Verse 1Yea, I beat my face
Moving fast cause the Uber on the way
Taking pictures make sure you can't see no lace
That wig secure like the money in a safe
I look like bae
Now I'm on the way
Let you know when I'm bout a mile away
When- I'm outside please don't make me wait
The party starting when we pull up to the gate
Girl we so latePre Hook
I'm just wit the crew
We ain't out here looking for boo
Cause some nights be better with you
It's a homies only kind of mood
And tonight we on a hundred
One hundred
No drama, no baby mamas, keepin' it cuteHookOh, oh
That's just what I do, do, do
And that's just how we do it, do it, do it
Yea that's just how we do it, do it, do it
You liking what I do
Do you?
Know how to keep it coo oh, oh
And that's just how we do it
Yea that's just how we do it
And you could do it too, oo, oo, oh
Verse 2No complaints
Left the heels at home I'm on my sneaker game
He say where you from
Tell-em outer space
Cause a bag the only thing I'm tryna chase
I'm M.I.A.
Just tell the dj
Press play rewind
Keep it on repeat
Tiptoe round a hater I'm light on my feet
That's how you do it
Keep stunting on yo enemies
Good vibes onlyPre HookI'm just wit the crew
We ain't out here looking for boo
Cause some nights be better with you
It's a homies only kind of mood

And tonight we on a hundred
One hundred
No drama, no baby mamas, keepin' it cuteHookOh, oh
That's just what I do, do, do
And that's just how we do it, do it, do it
Yeah that's just how we do it, do it, do it
You liking what I do
Do you?
Know how to keep it coo oh, oh
And that's just how we do it

And you could do it too, oo, oo, ohHookOh, oh
That's just what I do, do, do
And that's just how we do it do it do it
