

# Waste

## Phish

Don't want to be an actor pretending on the stage  
Don't want to be a writer with my thoughts out on the page  
Don't want to be a painter 'cause everyone comes to look  
Don't want to be anything where my life's an open book A dream it's true  
But I'd see it through  
If I could be  
Wasting my time with you Don't want to be a farmer working in the sun  
Don't want to be an outlaw always on the run  
Don't want to be a climber reaching for the top  
Don't want to be anything where I don't know when to stop  
A dream it's true  
But I'd see it through  
If I could be  
Wasting my time with you So if I'm inside your head  
Don't believe what you might have read  
You'll see what I might have said  
To hear it  
x2 Come waste your time with me  
Come waste your time with me So if I'm inside your head  
Don't believe what you might have read  
You'll see what I might have said  
To hear it  
Come waste your time with me  
Come waste your time with me  
Come waste your time with me  
Come waste your time with me Come waste your time with me
