

I'll Roll

Old Dominion

West coast hippie in a pickup truck
With stickers all over the back
Vanity plate that says "Livin' Life"
I bet you love to take it off the map
You seem like a girl who sleeps under the stars
Every single chance you get Ooh-ooh
Wherever you end up is where you'll be
Ooh-ooh

If you're looking for a little bit of company I'll roll, I can be your navigator
I'll roll, I'll be on my best behavior
I'll roll, east, west, north to south
I'll roll, baby, break the good stuff out and I'll roll
You're the kind of girl that only exists
In a Kerouac paperback dream
There's just enough room in your front seat
For me to drop everything
I just wanna read a couple highway signs
Ain't got no tie-you-down plans Ooh-ooh
I just wanna burn down a road I ain't ever been down
Ooh-ooh

When the gas in the tank or my welcome runs out I'll roll, I ain't trying to cramp your style
I'll roll, give me just a few good miles
I'll roll, I can just fade to black
I'll roll, you can have your blue sky back
I'll roll
Ooh-ooh
Wherever you end up is where you'll be
Ooh-ooh

I'm just looking for a little bit of wild and free
Can I roll?
I'll roll I'll roll, I can be your navigator
I'll roll, I'll be on my best behavior
I'll roll, east, west, north to south
I'll roll, baby, break the good stuff out and
I'll roll, I ain't trying to cramp your style
I'll roll, baby, give me just a few good miles
I'll roll, then I can just fade to black
I'll roll, you can have your blue sky back
I'll roll
I'll roll
