

Summer Girl

Leighton Meester

I drive an army jeep
My bumper sticker reads
Drink 'til he's cute
That's what I'm gonna do
Ain't got no serious thing
Don't wear no diamond ring
I've got a new tattoo
I think you'll like the view
In my mind
The sun shines
All the time
'Cause I'm just a summer girl
I wear my flip flops
And when I let my hair down
That's when the party starts
And who needs a boyfriend
I've got my girlfriends
And when we get together
The summer never ends
Tank tops and cut-off jeans
Bikinis and belly rings
We'll make that scene when the
DJ plays 'Dancing Queen'
Fellas lay your money down
We'll letcha buy around
Don't push your luck
Don't get more than your hopes up
In my world
day or night
Rain or shine
I'm just a summer girl
I wear my flip flops
And when I let my hair down
That's when the party starts
And who needs a boyfriend
I've got my girlfriends
And when we get together
The summer never ends
Everybody needs a little bit of sunshine
Everybody needs time to unwind
Everybody gotta have a good time
I'm just a summer girl
Everybody get up on your feet
Everybody gotta shake your body
Everybody got a right to be free
I'm just a summer girl
I'm just a summer girl
I wear my flip flops

And when I let my hair down
The party never stops
And who needs a boyfriend
I've got my girlfriends
And when we get together
The summer never ends I'm just a summer girl Everybody needs a little bit of sunshine
Everybody needs time to unwind
Everybody gotta have a good time
I'm just a summer girl Everybody get up on your feet
Everybody gotta shake your body
Everybody got a right to be free
I'm just a summer girl
