"I got a psychiatrist for you!"

[Verse 1]

You're psychotic  
Or anorexic  
We'll talk for hours  
You're schizophrenic

I got a psychiatrist for you!  
I got a psychiatrist for you!

[Verse 2]

You could just lay there  
I wanna know ya  
But it might give you some paranoia

[Hook]

I got a psychiatrist for you!  
I got a psychiatrist for you!

[Hook]

I got a psychiatrist for you!  
I got a psychiatrist for you!

[Verse 3]

He'll tell your secrets  
Don't even panic  
Give you a prescription  
For being manic

[Hook]

I got a psychiatrist for you!  
I got a psychiatrist for you!

I got a psychiatrist...
