

# Don't Call Me Baby

## Madison Avenue

You and me, we have an opportunity  
And we could make it something really cool  
But you, you think I'm not that kind of girl  
I'm here to tell ya baby I know how to rock your world  
Don't think that I'm not strong  
I'm the one to take you on  
Don't underestimate me boy  
I'll make you sorry you were born  
You don't know me  
The way you really should  
You sure misunderstood  
Don't call me baby  
You got some nerve and baby that'll never do  
You know I don't belong to you  
It's time you knew I'm not your baby  
I belong to me  
So don't call me baby  
Behind my smile is my IQ  
I must admit this does not sit with the likes of you  
You're really sweet  
Mmmm you're really nice  
But didn't mama ever tell ya not to play with fire  
Don't think that I'm not strong  
I'm the one to take you on  
Don't underestimate me boy  
I'll make you sorry you were born  
You don't know me  
The way you really should  
You sure misunderstood  
Don't call me baby  
You got some nerve and baby that'll never do  
You know I don't belong to you  
It's time you knew I'm not your baby  
I belong to me  
So don't call me baby  
You and me we have an opportunity  
And we could make it something really cool  
But you, you think I'm not that kind of girl  
I'm here to tell ya baby I know how to rock your world  
Don't think that I'm not strong  
I'm the one to take you on  
Don't underestimate me boy  
I'll make you sorry you were born  
You don't know me  
The way you really should  
You sure misunderstood  
Don't call me baby  
You got some nerve and baby that'll never do

You know I don't belong to you  
It's time you knew I'm not your baby  
I belong to me  
So don't call me baby You got some nerve and baby that'll never do  
You know I don't belong to you  
It's time you knew I'm not your baby  
I belong to me  
So don't call me baby
