

Rain (Al Stone Mix)

Erasure

What is there to do? Only rain
Falling down from the sky
Only me and you fair and plain
Nothing lost and nothing gained Only the love nothin more nothing
less comes between us
Tempretures rising my passion
is burning inside My world in lines saving all as one
A love that no-one can deny
My one true light same for everyone
A love I dare you to defy
Only Rain I once settled for less, but no regrets
Seeing myself in your own reflection
(seeing myself in your reflection)
Something in your eyes, that tells me why
I'm a fool for your own affection
Only the love nothing more nothing less
comes between us
Tempretures rising my passion
is burning inside My world in lines saving all as one
A love that no-one can deny
(only Rain)
My one true light same for everyone
A love we dare you to defy
Only Rain You are my, My one true
My world in lines
you are my, My one true
My world in lines
My world in lines saving all as one
The love wich no-one can deny
My one true light same for everyone
A love we dare you to defy
Only Rain My world in lines saving all is one
A love we dare you to defy
Only Rain
