Something About You

Hayden James

There's something about you
(uhh)

There's something about you (uhh)

What about a hit?

What about a hit of your look

Start to shake

Start to shake with your hand

What of a click?

What of a click, are you a freak?

You turn and face me

Maybe this time I'll chooseWhat about a hit?

What about a hit of your look

Start to shake

Start to shake with your hand

What of a click?

What of a click, are you a freak?

You turn and face me

Maybe this time I'll choose(Ooh)

What about a hit of your look (ooh)

Start to shake with your hand (ooh)

What of a click, are you a freak? (ooh)

Maybe this time I'll choose (ooh)What about a hit of your look (ooh)

Start to shake with your hand (ooh)

What of a click, are you a freak? (ooh)

You turn and face me

Maybe this time I'll chooseUhh, closer

Closer

Uhh, closerYou turn and face me

Maybe this time I chooseUhh, closer

Uhh, closerYou turn and face me

Maybe this time I chooseUhh, closer

Uhh, closerYou turn and face me

Maybe this time I chooseThere's something about you

There's something about youThere's something about you

There's something about youWhat about a hit?

What of a click?

What of a click, are you a freak?

You turn and face me

Maybe this time I'll chooseWhat about a hit?

What about a hit of your look

Start to shake

Start to shake, with your hand

What of a click?

What of a click, are you a freak?

You turn and face me

Maybe this time I'll choose
