

# Ivy

## Frank Ocean

[Chorus]

I thought that I was dreamin' when you said you love me  
The start of nothin', I had no chance to prepare  
I couldn't see you comin'  
The start of nothin', ooh, I could hate you now  
It's quite alright to hate me now  
When we both know that deep down  
The feeling still deep down is good

[Verse 1]

If I could see through walls, I could see you're faking  
If you could see my thoughts, you would see our faces  
Safe in my rental like an armored truck back then  
We didn't give a fuck back then  
I ain't a kid no more, we'll never be those kids again  
We'd drive to Syd's, had the X6 back then, back then  
No matter what I did, my waves wouldn't dip back then  
Everything sucked back then, we were friends

[Chorus]

I thought that I was dreamin' when you said you love me  
The start of nothin', I had no chance to prepare  
I couldn't see you comin'  
The start of nothin', ooh, I could hate you now  
It's quite alright to hate me now  
But we both know that deep down  
The feeling still deep down is good

[Verse 2]

In the halls of your hotel  
Arm around my shoulder so I could tell  
How much I meant to you, meant it sincere back then  
We had time to kill back then  
You ain't a kid no more, we'll never be those kids again  
It's not the same, ivory's illegal, don't you remember?

[Bridge]

I broke your heart last week  
You'll probably feel better by the weekend  
Still remember, had you going crazy

Screamin' my name, the feeling deep down is good

[Chorus]

I thought that I was dreamin' when you said you love me

The start of nothin', had no chance to prepare

Couldn't see you comin'

And we started from nothin', ooh, I could hate you now

It's alright to hate me now

We both know that deep down

The feeling still deep down is good

[Outro]

All the things I didn't mean to say, I didn't mean to do

There were things you didn't need to say

Did you mean to? Mean to

I've been dreamin' of you, dreamin' of you

I've been dreamin' of you, dreamin' of you

I've been dreamin', dreaming
