## 2012 (It Ain't the End) [feat. Nicki Minaj]

## **Jay Sean**

Oh, oh, 2012, oh yeah

It's alright, oh, it's alrightYou know what they say? Life ain't always easy

And everyday, we're survivors

So forget the day, it's all about tonight

Act a fool and start a riot, a riot be rebelBottles poppin' 'til we can't stand

We keep it rockin' till 6 a.m.

New York to London, over to Japan

Turn it up, turn it up, mash it upWe gonna party like, party like it's the end of the world

We gonna party like, like it's 2012

You know that it doesn't matter as long as we got each other

Turn it up, turn it up, mash it up, it ain't the end of the world, oh

Gonna live like it's the end of the world

Gonna party like, oh

Turn it up, turn it up, mash it up

It ain't the end of the worldSimiles, metaphors and we pop pills

Sick flow, inundated with the doc bills

Work hard, now we know how to top bills

In the middle of the street doing cartwheelsLot of them try to do it but it's not real

Wasn't a rapper, then I could've got a pop deal

White curls in a hot-pink Hot Wheels

Lot of bottles and a lot of fruity cocktailsUh, days of our lives

You wink it goes by

So we'll just get it with no Edison

Anything goes, so no time for closed minds

And free my Lil' Weezy

And let's just get right

Young Money, Cash Money in the building

Let's go, the world ends tonightHave a drink with me and let's make tonight go down

In history, in history, yeah

Let's play make believe it's the last 24 hours

And this whole world is ours eternally, eternallyHey, bottles poppin' 'til we can't stand

We keep it rockin' till 6 a.m.

New York to London, over to Japan

Turn it up, turn it up, mash it upWe gonna party like, party like it's the end of the world We gonna party like, like it's 2012

You know that it doesn't matter as long as we got each other

Turn it up, turn it up, mash it up, it ain't the end of the world, ohWe gonna live like it's the end

of the world

Gonna party like, oh

Turn it up, turn it up, mash it up

It ain't the end of the world, noNo, I'm not gonna follow

Anything that they say any more

And it's never too late to start over
So lets start it with here right now
We gonna party like, party like it's the end of the world
We gonna party like, like it's 2012
You know that it doesn't matter as long as we got each other
Turn it up, turn it up, mash it up, it ain't the end of the world, oh
We gonna live like it's the end of the world
Gonna party like, oh
Turn it up, turn it up, mash it up
It ain't the end of the world, the world
Because the world keeps spinnin'
The world keeps spinnin' around
